FATAL COLLISION scene during rain Saturday night at the intersection of Route 203 and Morrison Road. Laura Garner of St. Louis was killed in the crash. The picture was taken by Robert Fischer.

Fatal Rt. 203 crash

Laura O. Garner, 62, of 3036 Geyer, St. Louis, was killed in an auto accident at Morrison Road and Route 203, and pronounced dead at the scene at 9:30 p.m. Saturday by Edward

Werner, Madison County deputy coroner. Police reported the Mitchell Fire Department spent 45 minutes cutting away the car to remove her body, which was

pinned in the front seat. She was a passenger in an auto driven by Hubert Darwin, 65, of 795 Madison Ave., which apparently was hit broadside by the auto of Edwin Long, 63, of 1330 Edwardsville Road.

Darwin was taken to St. Elizabeth Hospital and treated for abrasions and lacerations to the head, face, right shoulder and right elbow, and released.

Long and his wife, Mrs. Cora Long, 61, also were taken to the hospital. He had chest pains and abrasions to the left knee and hip. Mrs. Long sustained abrasions to the chin and lower lip. Both were released after x-rays were taken.

Laura Garner was taken to a Litchfield, Ill., funeral home, where arrangements are pending.

4 burn to death

Four members of two families who formerly resided in Granite City, lost their lives in a burning auto crash Thursday morning near Sayre, Okla., while they were enroute to Granite City from California.

Mrs. and Mrs. Edgar (Edna Jean) Barnes, Rural Route Six, Box 1960, Greenboro, Trailer Court, Edwardsville, and Mr. and Mrs. Lester R. (Rosalee) Stevens of Hillsboro, Ill., were

burned to death when the auto and camper in which they were traveling was struck by high winds in a storm. The car and trailer overturned rolled down an embankment and caught fire.

Mr. and Mrs. Stevens had been living in California and Mr. and Mrs. Barnes had gone to their home to drive the couple back to Hillsboro. Mr. Stevens

Two buried in rubble, rescued

Two demolition workers were injured at 8:50 a.m. Friday as they were demolishing a silo at the former Union Starch and Refining Company plant near 19th street and the railroad tracks.

Phillip Witt, 28, of 178 Briarwood Drive, was admitted

to St. Elizabeth Hospital suffering from a fractured left leg, bruises to the face and a cut on the chin.

William Schrader, 22, of 110 Missouri Ave., was transferred from St. Elizabeth Hospital to Firmin Desloge Hospital in St. Louis, suffering from a frac-

tured skull and bruises to the right hip and left ankle.

The two men were inside the silo drilling holes in concrete columns in order to attach cables during the demolition operations when part of the brick silo structure collapsed.

Convicted of murder

After 12 hours of deliberation, a jury in the Madison County Circuit Court returned a guilty verdict late Saturday night against Steve Strubberg, 19, of 4510 Kirkpatrick Homes, convicting him of murder and burglary.

Strubberg was convicted of breaking into the home of Mrs. Pearl Elizabeth Giffin, 78, of 2107 Kirkpatrick Homes, early the morning of Feb. 6 and beating Mrs. Giffin to death with a baseball bat.

He is to be sentenced before Circuit Judge Moses Harrison II at 9:30 a.m. Friday, May 21. The trial began last Monday morning with jury selection and the jury was sequestered from that time until the final verdict was reached at 11:15 p.m. Saturday.

Testimony in the trial began Wednesday morning and the final rebuttal witnesses were called Friday night.

Attorneys began their closing

arguments Saturday morning and turned the case over to the jury at 11:15 a.m. Saturday. Strubberg's defense was based primarily on his own testimony Friday afternoon, during which he contended two juveniles had been responsible for the burglary and murder and were attempting to "frame" him.

Strubberg said he agreed with most of the testimony and evidence in the trial which dealt with the morning of the murder, up to about 2 a.m., less than an hour before the murder was believed to have occurred.

The defendant told of helping two juveniles plan the burglary of Mrs. Giffin's apartment but said that about 2 to 2:30 a.m. on the day of the murder he was told that the two juveniles had committed the burglary and had killed the woman occupant. Strubberg testified he then went to Mrs. Giffin's apartment

On and off the record Fast response nabs stalker

Fast action by Granite City police officers Thursday resulted in the capture of a suspect minutes after a "crime" had been reported.

Police were told there was a "stalker," with no clothing,

running in the 2200 block of Edwards St. Officers responded and apprehended their "suspect" within minutes.

It was noted the two-year-old was returned to its mother.

St. Joseph's 75th anniversary

St. Joseph's Catholic Church, one of the pioneer churches in the Quad-Cities, is preparing to observe its 75th anniversary.

Varied events are to be held this week as part of the celebration. Details are given on Page 4.

Arrest is made without incident

A Granite City woman went to the Police Department Thursday to report she had been beaten by her husband.

She said he was living here under an assumed name; had never divorced his last wife but had married her; had two driver licenses under different names, one of which has been revoked for traffic offenses, and that he wrote a \$1,000 false check on the account of her former husband.

She also noted he was wanted

on a warrant from another Illinois county.

She warned officers her husband is large, has a half-cast on one arm and always keeps a loaded revolver in the house. Seven police surrounded his home and arrested him without incident. A warrant from the Menard County sheriff's department was served and he was taken by a sheriff's deputy to that county's jail.

The other allegations are under investigation.

William F. and Frederick G. Niedringhaus, brothers, incorporated the St. Louis Stamping Co. in 1866 after establishing a tin shop in 1857. The Granite Iron Rolling Mills were built in 1872 at Second and Destrehan Streets in St. Louis.

They supported the successful effort that led to an 1880 law placing a tariff on imports of steel and tin plate.

Niedringhaus engaged in legislative activity in Washington, William devoted his time to research in the St. Louis factory.

William was considered a keen analyst of industrial trends.

Noting revolutionary changes taking place in the economy, he anticipated the passage of the Non-Age to the Age of Steel, and realized that his company would feel the impact as the demand for iron granite ware

5 hurt in Madison-22nd accident; one charged

Five persons were injured in a three-car accident at 22nd Street and Madison Avenue at 7:20 p.m. Sunday, which allegedly involved a hit and run driver.

Thomas Talley, 27, of 1127 St. Thomas Road, was arrested at 22nd Street and Madison Avenue. He was charged with leaving the scene of an injury accident and reckless driving.

It is alleged Talley's northbound car struck the rear of the northbound auto of Verka Krotzoff, 70, of 2008 Buxton Ave., on Madison Avenue, pushing Mrs. Krotzoff's auto into the southbound lane where it collided head-on with the southbound car of John Kpochak, 19, of 3204 Aubrey Ave.

A vehicle then left the scene and was stopped by a Madison County sheriff's deputy. Paint on Talley's damaged auto he collected head-on with the southbound car of John Kpochak, at the accident, police alleged. A Granite City Fire Department rescue team called to 22nd Street and Madison Avenue to free three persons.

Sheriff commends man—saved girl from drowning

Madison County Sheriff John Maeras is preparing a letter of commendation for Ernest Simmons, 23, of University City, Mo., who rescued a 3-year-old girl from Johnny's Fishing Lake, 1000 West Chain of Rocks Road, Sunday.

Christine Bonds, daughter of Mrs. Linda Bonds, 5 Patricia Lane, Mitchell, had been playing with her dog in the back yard of her home when the dog crawled under a fence around the yard and the girl climbed the fence and followed the dog.

"I don't know how she got across St. Thomas Road and West Chain of Rocks Road, but they later told me she had been pulled out of Johnny's Fishing Lake," Mrs. Bonds told the Press-Record.

Simmons said he and his cousin were at their car near the lake after fishing and saw the girl following a dog to the north shore of the lake. Simmons predicted if the dog were into the water, the girl would follow.

Both then entered the water and Simmons ran about 350 feet into the water to save the girl, who was thrashing on the surface about 100 feet from the shore in water 15 feet deep. The mother, who had a neighbor report the girl missing, was found in a car at the entrance to Sunnydale Acres, searching for her daughter.

Mrs. Riggles dies at 93
Mrs. Kate Riggles, 93, of Sacramento, Calif., a sister of Mrs. Pearl Thomas of Granite City, died at 5 p.m. Sunday at a nursing home in Sacramento. Her husband, Bob Riggles, preceded her in death.

Also surviving is another sister, Mrs. Faeine Nix of Mesa, Ariz., and nieces and nephews. Funeral arrangements are pending at a Sacramento funeral home.

St. Joseph to mark 75th anniversary

The congregation of St. Joseph Roman Catholic Church, 2101 State St., will mark the 75th anniversary of the church with the first religious observance on May 1. Feast of St. Joseph the Worker. Bishop Joseph McNicholas will serve as chief celebrant of the mass at 5:30 p.m., which will be celebrated by visiting priests.

All priests who served the parish, former parishioners, all Ursuline and Dominicans who have been assigned to St. Joseph School as well as the two Dominican nuns, Sister Samuella, principal, and Sister Sharon, have been invited to participate in the event.

After the Saturday evening mass, a dinner will be served in the rectory for the Bishop and attending priests and a reception is to be held in the school library for the nuns and guests, hosted by St. Joseph Parents and Friends Club, headed by Tony Boyer.

A dinner dance is planned for Friday, April 30, at the Croatian Home in Madison as one of the first social affairs. Admission will be by ticket only.

Attending church services for the first Catholic families who settled in this area was difficult in 1890, since they had to travel to Venice or Mitchell to attend services and transportation, especially during the winter months, was almost impossible.

With this in mind, the people petitioned the Most Rev. James Ryan, Bishop of the Alton diocese, in November 1897, for a church, school and resident priest. After a census study, Bishop Ryan appointed the Rev. William H. Murphy, on Feb. 5, 1901, to organize a parish and build a church here.

At the first mass offered in Rosenberg's Hall, 19th and State streets, on April 21, 1901, the new parish was placed under the protection of St. Joseph. John Willis and Frank Vorwald were appointed

trustees and committees were named to continue the new project.

Later, mass and other services were held in Dr. Tully's Hall, across the street from Rosenberg's Hall, which offered more adequate facilities.

Property was acquired on 21st Street, between State Street and Edison Avenue; for the combination church and school structure. The corner stone was laid on Nov. 5, 1901, by the Very Rev. Dean Crowe of Jacksonville, representing the Bishop.

The first mass in the new church was held on April 20, 1902, and dedication ceremonies were held on May 11, 1902, by Bishop Ryan. Father Crowe delivered the dedication sermon.

On Sept. 3, 1902, the school opened with an enrollment of 159, a large number for a new parish. The first teachers, Ursuline Nuns from Springfield, were Sisters Raphael, Cecelia, Seraphim and Camella.

The Ursulines were here until the 1931-32 school year, when they were replaced by the Springfield Dominican Sisters, who still are in charge. The Sisters' convent was completed in 1903, for the low sum of \$2,175, including the price of the lots.

For four years, Father Murphy had no permanent residence and lived in various homes until 1905 when the rectory was built. Although it was not completed, he moved in with assistants, Fathers William Toomey, Ignatius Stepunick and Richard McKeogh.

Father Murphy continued working in the parish to improve all the church and school programs but the poverty of the era was further aggravated by the flood in 1902.

In November 1913, Father Murphy was transferred to St. Augustine parish in Ashland. He was replaced by Father Dennis J. Ryan who had been pastor of

St. Benedict parish in Auburn. His assistants included Fathers Timothy McKeogh, David Scully, William Sloan, John Franz and George Powell. The latter four priests also were members of the Diocesan Mission Band.

The Rev. Ryan purchased land in 1924 on Sunset Hill south of Edwardsville to be known as Calvary Cemetery. It still is the property of St. Joseph parish.

Harry Sampson, the present superintendent, has held this position for 36 years.

During the ensuing years the parish was experiencing growing pains and four masses were offered on Sundays to accommodate the people. The school enrollment had grown to 400.

More space was needed for classroom area in the school, so it was decided to build a church, thereby freeing the gym where services were being held, for school purposes.

The cornerstone of the new building was laid May 29, 1921, by Very Rev. Edward Lancaster Spalding. Many priests and about 3,000 laity attended this historic event.

The new church was formally opened to the congregation and the public on Christmas morning 1921 with a Solemn High Mass offered by the three diocesan missionaries, Fathers David Scully and William Sloan, both of whom have died, and John B. Franz, who later became Bishop of Peoria and is now retired. These three missionaries made their headquarters in the parish residence.

The church is a solid birch structure with a seating capacity of 800. On special occasions it can be made to accommodate another 150. The building is a model of space appropriation, tasteful appointments, harmonious colors, convenience and comfort.

The growing Catholic

population of Granite City necessitated another parish. Bishop Griffin authorized a new parish, Sacred Heart, which was founded June 15, 1924. The new parish reduced the boundaries of St. Joseph Parish, and lowered the number of families to about 700.

Father Dennis J. Ryan was succeeded in 1936 by Father Joseph P. Jordan, who administered St. Joseph parish until his retirement in 1966. During his many years as pastor he achieved amazing progress in improving the then present buildings as well as new structures.

The old rectory had become inadequate and required extensive repairs, the cost of which made them unfeasible. During the summer of 1951 the old rectory was razed, and in the fall the construction of the new rectory was begun.

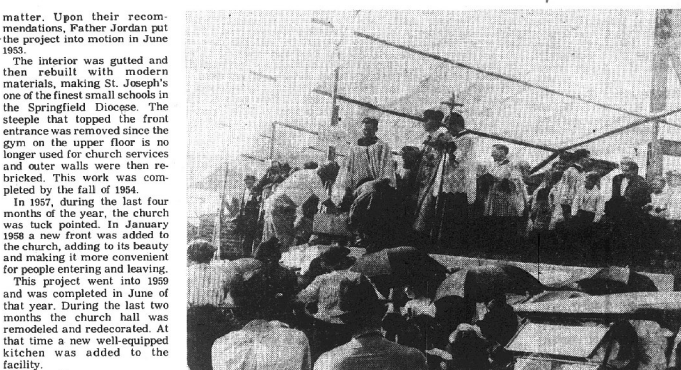

The new structure was completed near the end of 1952. It is a spacious building with quarters for three resident priests plus accommodation for three visiting priests or other guests. A full basement provides a meeting hall, a conference room, utility room, kitchen and storage.

During this time Father Jordan and his assistants, Fathers Robert Morris and Bernard Wyzkowski, lived at St. Elizabeth Hospital.

Since the original school was structurally sound, but badly in need of remodeling, engineers were called in to study the

Father Martin Mangan succeeded Father Jordan in 1949-50. By his own request he was sent back here by Bishop O'Connor. He assumed his duties as pastor on Feb. 1, 1972.

Shortly after the new pastor arrived he began fund raising projects with the proceeds to be used to install air conditioning in the church, rectory and school.

The present pastor, Father Henry Mack, was an assistant to Father Jordan in 1949-50. By his own request he was sent back here by Bishop O'Connor. He assumed his duties as pastor on Feb. 1, 1972.

St. Joseph Church scene of Goskie-Kelly wedding

Altar bouquets of white and pastel shades of gladiolus with greenery provided the setting for the wedding Saturday afternoon at St. Joseph Catholic Church of Miss Debra Lynn Kelly and Charles Robert Goskie.

Father Henry Mack officiated at the 2 o'clock double-ring ceremony and nuptial selections were played by Mrs. Cleta Judd.

Parents of the bridal couple are Mr. and Mrs. Walter Kelly, 3137 Willow Ave., and Mr. and Mrs. Albert Goskie, 1520 Fifth St., Madison.

For her wedding, the bride chose a long, white jersey gown fashioned in an Empire silhouette accented with pearly motifs on the V-neckline and front waistline.

The decorative appliques trimmed the cuffs of the long, full sleeves and the semi-full skirt fell softly into a full sweep train.

She wore a lace cap etched with pearls to secure a fingertip veil bordered with a pearl trim. She carried a nosegay of roses and stephanotis in pastel hues.

Mrs. Karen Schutzhof, a sister of the bride, was honor attendant. She selected a full-length halter dress in Nile green jersey, designed with a high neckline and flowing skirt, complemented with a long-

sleeved jacket and matching picture hat.

Her bouquet was an arrangement of mixed green and pink roses and carnations. The groom chose Francis Dant as his best man.

A reception followed the service at Heritage House in St. Louis. The rehearsal dinner was hosted at Tony's Restaurant, Granite City.

Mrs. Kelly, mother of the bride, was attired in a formal-length pink jersey gown and jacket ensemble enhanced with a fagoting and rhinestone trim at the high neckline of the dress and jacket.

The groom's mother, Mrs. Goskie, appeared in a floor-length dress featuring a Navy blue bodice, white skirt and white long-sleeved jacket which was trimmed in Navy blue.

Both mothers wore white orchid corsages.

A graduate of St. Teresa Academy, East St. Louis, and Lewis and Clark Community College, the bride is employed as a registered nurse at St. Louis University Hospital.

The groom was graduated from Madison High School and now works for the Seven-Up Co., Hazelwood, Mo.

After a wedding trip to Colorado the newlyweds will reside in Granite City.

200 attend Lake PTA meeting

About 200 parents, teachers and students attended the Lake School PTA meeting last week. An election of officers was held and the program featured student dancers under the direction of Miss Jan Mehellic. PTA President Pat Withers opened the meeting and a prayer was recited by Dorothy Phelps.

Those elected for the 1976-77 school year, are: Mrs. Phelps, president; Pat Withers, vice-president; David Johnson, treasurer and Miss Mehellic, secretary.

Mrs. Phyllis Wiggins gave the secretary's report and it was announced Mrs. Linda Irwin will be in charge of operating the new kiln, which was purchased by the PTA for the use of students.

The president reported the Spring Carnival will be held from 6 to 9 p.m. Friday, May 7, and will follow an "old-time" theme with crafts, a country store, games and a variety of entertainment for both adults and children.

Numbers performed by the students included folk and square dancing, Mexican hat dance and Virginia reel. Following the presentation, parents were invited to join the pupils and learn to dance.

The parents' attendance prize was awarded to John Spudich's room and a prize was given to Mrs. Barbara Andrews.

Career data featured during Nursing Week

In observance of Nursing Week, the School of Nursing at Southern Illinois University at Edwardsville has planned a full schedule of activities this week. Coordinator for the events is Sister Marta Goski, assistant dean of nursing.

Nursing Week on the SIUE campus is being opened today with a keynote address by Mary Kelly Mullane, a nursing educator. Prof. Mullane has been recognized nationally in nursing education, and has particular impact on the field of nursing in Illinois.

Awarded an honorary doctoral degree from Southern Illinois University in 1972, she will speak on "Credentials and Competence."

A hypertension screening clinic, sponsored by the SIUE Student Nurse Association, is scheduled in the Ohio Room of the University Center until 5 p.m. today. The free blood pressure testing service by the students is open to the public.

Tomorrow will be celebrated as Career Day. Representatives from health education will be available in Goheen Lounge from 9 a.m. until 5 p.m. today to provide information in those field to interested persons.

Patricia Fort, dean of the SIUE School of Nursing, has announced that at 6:30 p.m. Tuesday a banquet will be held in Meridian Ballroom for SIUE nursing alumni.

On Wednesday, a luncheon meeting of the community relations committee is scheduled in the Mississippi Illinois Room of the University Center at noon.

The hypertension screening clinic also will be held Thursday between 9 a.m. and 5 p.m. in the Science and Technology Building on campus.

A display of nursing student projects will be exhibited on the second floor of the University Center on Friday.

Throughout the week, WSIE-FM (88.7), the university's radio station, will feature daily reports on current interests and historical perspectives in nursing.

Goheen Lounge will be the scene of an all-week display of the School of Nursing, featuring audio-visual presentations by students majoring in nursing.

Campus offering summer day camps

Many grade school pupils as well as high school students will get an opportunity to obtain instruction on the campus of Southern Illinois University at Edwardsville this summer.

Boys and girls of the St. Louis Metropolitan area, from fourth graders through high school seniors, are being offered a series of summer day camps for development of their skills in wrestling, baseball, cheerleading, cross-country running, basketball, golf, gymnastics, track and field, tennis and soccer.

In addition, SIUE's athletic trainer, Wilfred "Bud" Buehler, will conduct a camp designed to teach conditioning and strength development.

The tennis camps will be divided into two units, one for adults July 26-30. The tennis camp for youngsters will be June 19-23.

The Cougars' tennis coach, Kent DeMars, will direct both camps.

"We are providing these camps as another service that SIUE makes available to the community," explained Robert

Guelker, the school's athletic director and head soccer coach. Guelker will be director of the summer program.

Sponsors of the camps are the men's department of intercollegiate athletics and SIUE's office of conferences and institutes.

The wrestling camps, scheduled for June 21-25, 9 a.m. to 12 noon, will be directed by the Cougars' varsity coach, Larry Kristof.

The basketball camps, to be offered over three weeks and taught by SIUE's varsity coach, Jim Dudley, and assisted by Dan Thornton, will be held from 9 a.m. through 12 noon. The first basketball camps will be June 21-25, the second week will be July 12-16 and the third July 19-23.

Coach Roy Lee and his assistant, Bruce Thomas, will direct the baseball camp July 12-16, 9 a.m. through noon.

Harry Gallatin will teach the golf camp, scheduled for July 12-16 with daily hours 1 to 4 p.m. The soccer camp, which will be directed by Guelker and his assistant, Pat McBride, will get

under way July 26 and run through July 30.

A camp for development of skills in gymnastics will be held at SIUE's Alton Center and will be directed by Larry Moeck. The camp in gymnastics is scheduled for the week of July 5-9. The camp on gymnastics, however, will consist of six hours and will be held both in the morning and the afternoon for three hours each.

Track and field classes, which will be taught by Jack Whitford, will be held the week of June 14-18 between 9 a.m. and 12 noon. The cheerleading camp will be conducted the week of June 14-18. Instructors will be Larry Moeck and Myrna Martin, both of SIUE staff, and Susie Pizer, sponsor and coach of Belleville's Althoff High School's two-time national champions.

Guelker pointed out that the camps will not be available to graduating high school seniors because of National Collegiate Athletic Association rules.

He added, "The camps will be instructed in all the basic and advanced techniques through development of skill analysis. They will be given game and meet situations and other essentials in each particular sport."

Fees for the various camps are \$45 except gymnastics, which will cost \$60, cheerleading, which is \$30. Inquiries for information and applications for the camps are to be mailed to Bob Guelker, Men's Intercollegiate Athletic Department, Lovejoy Library, Box 67A, Southern Illinois University at Edwardsville, Edwardsville, Ill., 62026. Or, Quad-Cityans may call 692-3967.

Dancers to teach, entertain

Five dances performed by a company of two will be presented at Southern Illinois University at Edwardsville Friday. The performance of the 5 x 2 Dance Company is sponsored by the Cultural Arts Council, the Illinois Arts Council and the University Center Board of SIUE.

The company is composed of dancers Jane Kosminsky and Bruce Becker of New York. They believe that by narrowing the focus to two performers, the audience is better able to understand and enjoy fully what each dancer is doing.

Miss Kosminsky and Becker were dance award winners at the High School of Performing Arts and performed with the companies of May O'Donnel, Tamara Nagrin and Norman Walker before first appearing as 5 x 2 in 1972. Dances to be performed here are "Duet," "Negro Spirituals," "Song" and "A Cold Sunday Afternoon, A Little Later."

In addition to performing, the dancers will be in residence at the university from Wednesday through Friday.

They will present a lecture demonstration Wednesday in Meridian Hall of the University Center and on Thursday and Friday they will instruct master dance classes, also in Meridian.

The Friday program will begin at 8:15 p.m. in Meridian Hall. Tickets are \$1.50 for SIUE students and \$2.50 for non-students.

PERFORMING FRIDAY evening at SIUE will be the 5 x 2 Dance Company, Bruce Becker and Jane Kosminsky.

Lutheran Ladies plan events

The Ladies Aide Society of Concordia Lutheran Church, 2801 Grand Ave., met for an 11:30 a.m. luncheon and business meeting last week.

Hostesses Marcelle Rowold, Viola Bunte, Edna Dietrich, Olga Oberdieck, Reba Groves and Wanda Lohmann served 24 members and two guests.

Pastor Arvin Twietmeyer spoke on the topic, "Communion" as the program for the day.

Plans were made for a congregational pot luck at 5:30 p.m. on May 2 and a rummage and bake sale at the church from 9 a.m. to 2:30 p.m. on May 14.

The group also made

Arson attempt

The home of Don Marcus, 2818 Pershing Blvd., was broken into and an attempt was made to burn the house, it was reported to authorities last week. Fire caused an estimated \$5,000 damage before burning itself out.

Entry was believed gained by opening an unlocked east basement window and climbing through. A bed in the rear bedroom was soaked with a flammable liquid and set on fire.

Annual Illinois Fire College June 10-13

The 52nd annual Illinois Fire College—oldest in the nation—will be held June 10 through 13 at the University of Illinois at Urbana-Champaign.

Chief W. J. Eckert, recently retired director of University of Illinois Firemanship Training, will return to give the keynote address at 9:30 a.m. June 10.

The Fire College, an intensive training session held on the campus each year and attended by upward of 800 fire fighters, conducts its educational program through workshops, classes, and demonstrations.

The 1976 workshops and classes will focus on legal aspects of the fire service; fire emergency medical services; fire fighting strategy, master planning, and code requirements; water supplies, rural and urban; bomb and arson investigation; ventilation; breathing apparatus;

prefire planning and inspections; hazardous materials; rescue operations; use of pumps; and fire service dealings with news media.

Demonstrations will be held at the U. of I. Fire Training Center on Sunday, June 13. Wearing safety garments, the participating fire fighters will take part in "live" demonstrations dealing with dust explosions, new rescue techniques and equipment; homemade training aids; pit fires; tanker shuttles; non-ambulatory rescues from the tower; water reactive materials; blitz attacks; and life packs.

Prof. G. E. Monigold, acting director, U. of I. Firemanship Training, is in charge of the college, assisted by a committee of representatives of the fire service organizations and agencies in Illinois.

Bicentennial week at SIUE May 3-9

Southern Illinois University at Edwardsville will celebrate the week of May 3-9 as Bicentennial Week, according to Annette Mulvaney Graebe, director of the University Information Center and chairman of the University Bicentennial Committee.

The week will climax a year-long celebration of more than 100 Bicentennial-related activities on the campus. Every university unit, including all the academic areas, students and staff, has taken part in the year's celebration, Mrs. Graebe said.

"The year has been a real challenge to coordinate such an extensive university commemorative celebration. The Bicentennial committee has been overwhelmed by the cooperative spirit and enthusiasm received from the university family. We hope that communities surrounding the campus will join us for the week's festival," she added.

Delbert Black, Midwest representative to the American Revolution Bicentennial Administration in Washington, will visit the campus during the week, as will Michael Linderman, executive director of the Illinois Bicentennial Commission.

To commemorate the Bicentennial year, the SIUE School of Dental Medicine will have on display all week a multimedia presentation and exhibit, "Dentistry: Then, Now and Here."

A special American Folklore Archive will be available for tours all week, by appointment only. John Oldani of the American studies program will be available to demonstrate and explain more than 60,000 folklore items which have been donated to the archive by interested citizens.

Officially opening the week's Bicentennial activities will be a concert on Monday, May 3, by the Old Guys Jazz Band in the Meridian Ballroom of the University Center at 8:15 p.m. The SIUE Concert Chorus and other guest artists will share the billing with the Old Guys. Tickets to the event are \$2.50 and may be purchased at the door.

As part of the nation's Bicentennial Horizons program, the SIUE department of art and design has commissioned Richard Hunt, John David Mooney and John Henry, internationally known Illinois artists and sculptors, to create three sculptures encompassing the theme, "300 Years of Expanding Horizons."

The sculptures, although finished works of art in themselves, will serve as models for large-scale outdoor sculpture endeavors proposed for the SIUE campus.

The sculptures will be formally unveiled at 12:30 p.m. Tuesday, May 4, in the Goshen Lounge of the University Center. The sculpture project has been partially funded by the Illinois Bicentennial Commission.

A lecture, "Compliant Rebellion: The American Avant-Garde as Social Narrator," by John Adkins Richardson, will be presented in Lovejoy Library auditorium at 3:30 p.m. Richardson is a professor of art and design at SIUE.

A Bicentennial multimedia presentation, "American Folklore: A Culture Reflection," is scheduled at 7:30 p.m. in the Meridian Ballroom of the University Center. John Oldani will be the speaker.

A slide-lecture presentation, "Louis H. Sullivan—American Architectural Pioneer," will be featured in the Mississippi-Illinois Room of the University Center on May 5 at 2:30 p.m. John Clench will be the speaker.

A Riverboat Ragtime Review celebrating the ragtime years will be presented in the Meridian Ballroom at 8:15 p.m. Tickets will be \$4 for adults and \$3 for SIUE students.

May 6 will be International Day at SIUE. An international program will be presented in the Goshen Lounge at 11:30 a.m. The program, "The Revolution as a World Ideal," will be under the direction of Ron Glossop.

A history forum is scheduled in the Illinois Room of the University Center at 2:30 p.m. Speakers will be Stuart Weiss, on the topic "American Diplomacy from Weakness and Strength: The Revolution and the Cold War," and Robert Erickson, on "Implications of the American Revolution for Public Policy, 1876."

The evening of Poetry will be provided by Peter Simpson at 7:30 p.m. in Lovejoy Library auditorium.

The Jazz Archive dedication is scheduled May 7. The SIUE Stage Band will present a concert at 11:30 a.m. in the library mall. Billy Butterfield will be the guest trumpeter. An Old Guys Jazz concert will follow.

At 2 p.m., a lecture on "Influence of 17th Century British Radical Ideas in the American Revolution" will be presented in the Mississippi-Illinois Room. Christopher Hill will be the speaker.

The Friends of Lovejoy Library will sponsor an open house for the Jazz Archive on the first floor of the library at 6:15 p.m., followed by the archive dedication ceremony. After the dedication, Billy Butterfield's Jazz All-Stars will present a concert.

On May 8 at 11 a.m. there will be a Jazz "Jam" brunch at the Knights of Columbus Hall in Edwardsville, kicking off with Billy Butterfield's All-Stars. All area musicians are invited to attend.

The SIUE Foundation Governor's Ball celebrating the Bicentennial of the United States will be held at Sunset Hills Country Club at 6:30 p.m. May 8.

The week will close May 9 with a Bicentennial concert by the SIUE Lincoln String Quartet in Lovejoy Library auditorium at 3:30 p.m.

declined. Therefore, he sought a method to enamel steel utensils. After repeated attempts and failures, he developed an enamel which expanded and contracted at the same rate as sheet steel.

An open-hearth furnace was installed at the Granite Rolling Mill to manufacture steel. The uncertainty which attended initial operations was quickly dispelled, and the partners met with positive encouragement, historians relate.

Next, anticipating a tremendous increase in business as a result of the Tariff Act, as well as the new technological developments, William and Frederick decided to expand the production capacity of their plant.

"A move so important in those years of inexperience and risk must certainly have been preceded by earnest consideration and anxious conferences," a Granite City Steel spokesman has recalled.

"Alternatives which we, by hindsight, know held much promise of success presented themselves to these men only as risky possibilities.

"It is easy to visualize the brothers poring over vital financial statements or walking along, examining, discussing, rejecting one site and then another."

In general, there were two possible courses they could pursue.

They could build additions to the plants already operating in St. Louis. This would be expensive, since land values were high, but it would be the most convenient. And the risks involved in a radical change of location would be avoided.

On the other hand, they could build a new plant on comparatively cheap land near St. Louis where they could develop a new city.

They investigated the former possibility first. George W. Niedringhaus, who had become a close business associate of his father, William, and who participated in the search, gave the following description of what actually happened at the time and the factors which were important in determining the location they finally selected.

"Their first selection was some ten miles north of St. Louis in a district known then and still known as the Spanish Pond. The C. B. & Q. Railroad (Chicago, Burlington and Quincy) had graded a right-of-way through this land, and gave the impression that the road would be built within a year.

"However, on approaching the president of the railroad, my father was told that the construction of the road was indefinite.

"It was then decided to expand the project by adjoining the north St. Louis Rolling Mill.

"Sufficient property was bought with the exception of a small piece of ground that was necessary to round out the tract but was held by people owning it at exorbitant prices.

"Then, too, a blind street . . . ran through our property. And while the street had never been opened, being public property precluded using it for building purposes.

"Efforts were made to have this street vacated, for which the Messrs. Niedringhaus offered to pay a good price.

"Opposition developed in the Council, which finally resulted in our giving up all thought of building in north St. Louis, and we began looking for a new location.

"The Merchants' Terminal Railroad was under construction about this time and the Merchants' Bridge also partially completed. We were subscribers to this terminal company, believing this service necessary for the development of St. Louis.

"One afternoon (August, 1891), it was decided to take a trip to the east side of the Mississippi River, following the new terminal right-of-way.

"We crossed on the North Market Street Ferry, drove over the old Alton Road, crossing the C. & A. and other tracks at a small station at the time called Kinder, where Niedringhaus Avenue (now) crosses these tracks.

"The country was very prosperous at that time and the farms all seemed to be kept in excellent condition.

"We drove to a point, probably attracted by a beautifully formed elm tree over four feet in diameter . . . We spent some time in looking

over the property from this point, and I recall my father's remark that this would be an ideal site for the city such as we contemplated." George Niedringhaus concluded.

Shortly thereafter, the Niedringhaus employed Mark Henson, the village school teacher, as their land agent.

He obtained options on 3,500 acres which included the highest land in the area, and the Niedringhaus purchased it in 1892.

The following year, the city engineer of St. Louis was engaged to lay out the new city.

Some members of the Niedringhaus family wished to name the city in honor of its founders, but the brothers felt it should have a more simple name. As a result, they chose Granite City, commemorating the ware which was the basis of their industry.

The importance of this expansion is indicated by the feature article entitled "The Development of Tin Plate in St. Louis," which appeared in the May 1892 issue of Scientific American.

According to the article, at that time the company, with an investment amounting to over \$500,000, had ten tinning pots or stacks, producing 350 boxes a day.

Users of the tin plates produced there said they were much better than English plates of the same grade. Also, "It may be of interest to note that the Government Building at the World's Fair in Chicago is covered with these plates."

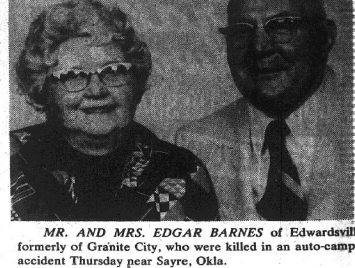

The article commented on the "new town of Granite City now being built (in Illinois) opposite the City of St. Louis" and the new steel plant to be constructed there which "will produce steel both by the open hearth and the Bessemer process, and will contain boiler, stacks, and nail plate mills."

"The nail plate mill will be run to prepare plate for the tin plate mills, where they will be rolled to the thin sheet . . ."

"The company intends to be able to control the entire process of manufacturing operations from the production of the steel ingot to tin plate."

Scientific American added, "The location of a steel plant at Granite City as well as for other manufacturers is unsurpassed. Coal will cost about one-third the price in Wales. The leading railroad systems of the country connect at this point, and labor is plentiful and of a high grade."

The article closed with the prediction, "Fifty establishments like this one we have described will be needed to supply the demand."

MR. AND MRS. EDGAR BARNES of Edwardsville formerly of Granite City, who were killed in an auto-camp accident Thursday near Sayre, Okla.

is a brother of Mrs. Barnes. Mr. Barnes, 65, was a lifelong resident of Granite City until he moved to Edwardsville about three and a half years ago.

He retired on April 7 from Nesco Steel Barrel Co. where he had worked for 45 years as a maintenance man.

His wife, Mrs. Edna Jean Barnes, 71, was born in Donaldson, Ill. and resided in this area 40 years. She was a member of the July 12 Card Club for many years.

Both were members of the Nameoki Presbyterian Church. They were the parents of one daughter, Mrs. Jerry (Mary Elizabeth) Free of Granite City, and granddaughters of Timothy, Tracy and John Free.

Mr. and Mrs. Stevens formerly operated grocery stores in Mitchell, Collinsville and Effron, Ill.

They are survived by one son, Lester Stevens Jr., Hillsboro. Funeral services for Mr. and Mrs. Barnes will be at 1 p.m., Wednesday at a Hillsboro funeral home.

Arrangements joint services for Mr. and Mrs. Barnes are given in the obituary column.

around them.

Granite City firemen were called to the scene and rescue operations began with the assistance of other workmen and police.

Fire Chief Donald Parente took personal charge of the rescue operation.

It took rescue workers about 20 minutes to free Witt and another 10 minutes to free Schrader, who was covered with bricks and had his leg caught under a metal rod.

Firemen used large and small hydraulic devices to move the rod off Schrader.

The two men are employees of the Invirex Demolition Corp. of New York City, demolishing the former Union Starach corn milling plant for Archer Daniels Midland Co.

Kochman withdraws membership application

An application for membership in Sunset Hills Country Club was withdrawn last week by Acting President Andrew J. Kochman of Southern Illinois University at Edwardsville. He took the action at a regular meeting of the club's board of directors, to which he requested an appearance and was invited to attend, he said Friday.

Dr. Kochman said he made the decision after receiving a formal affirmation from the club's board that the membership application of Emil Jason, assistant vice-president for special programs and minority affairs, had been denied.

Dr. Kochman said he had applied for a new membership in the country club because the membership of SUIE President John S. Rendleman, who died March 4, has been assumed by Mrs. Rendleman.

The acting president said a staff review of the university's relationships with the country club was conducted in connection with his application.

"I want the board of directors and all members of the country club to know the university appreciates the cordial relationships and mutual support between the club and the university over the past several years," Dr. Kochman said.

"We are dedicated to the affirmative action program of the university and, in good conscience, there was no alternative but to withdraw the application for membership."

Dismissal charge

Granite City police have dismissed a burglary charge against an 18-year-old boy who had been charged with assisting in a burglary at the home of Betty Jamerson, 167 Briarwood Drive, last week.

Officers were told a young man was seen breaking into a house while another waited in a car in the driveway. The car left before police arrived and officers found a 16-year-old boy climbing out a window of the house. They chased him and arrested him on a burglary charge. He faces possible juvenile court action.

Based on a description of the car, the 18-year-old later was arrested near his home, and was released on a recognition bond. The charge was dismissed after further investigation.

Entry to the home had been made by cutting a screen to a rear bedroom and forcing the window open. The bedroom was ransacked.

Police alleged they recovered a watch from the 16-year-old which may have been taken in a previous burglary on Garfield Ave. That case is under investigation.

House burglary

Frank O'Brien, 3027 Bryan Ave., reported to police at 7:30 a.m. Saturday that his house was burglarized and a man's watch, a carton of cigarettes, food stamps and two wooden jewelry boxes with a total value of \$307 were taken.

According to the report he was asleep in a back bedroom and found the articles missing when he awoke. He added he did not hear anything but also found the intruder drank a glass of milk in the kitchen before leaving.

Entry was gained by tearing away the stripping at the front door.

Checkerboard Squares enjoying a busy spring

The Checkerboard Squares of Granite City are expanding their field of operations in community service. The group went Saturday to Jefferson City, Mo. to present a square dance show to residents of the Missouri State Prison in the afternoon and also at Ranz Penit Farm in the early evening.

At a "western party," the Checkerboard Squares calling staff taught residents of the correctional institution the basic steps of square dancing. The Checkerboard Squares youth square dance group is dedicated to "fun, friendliness, fellowship and community service." The group ranges in age from 4 1/2 to 34 years.

The current Checkerboard Squares have been dancing for eight months, and are following in the footsteps of the original Checkerboard Squares, organized in 1962.

The originals were nationally famous exhibition dancers who attended four national square dance conventions and co-hosted two national teen festivals.

DeMolay's install

James S. Boyd, son of Mrs. Mildred Boyd, 2309 Washington Ave., and the late James O. Boyd, was installed as master counselor of James Stewart Chapter, Order of DeMolay, in a public installation of officers at the Masonic Temple last week.

Other senior line officers installed were: Robert C. DeCoursey, senior counselor; Kelly D. Smith, junior counselor; Dennis E. Worthen, chaplain; Bruce M. Groshong, treasurer; Mark A. Doolittle, senior deacon; Delbert E. Sipes, junior deacon; Thomas C. Groshong, senior steward; John E. McNall, junior steward; Robert E. Daugherty, sentinel; John M. Seybert, standard bearer; S. Thomas Eluech, almoner; David B. Caviness Jr., marshal; Norman E. Burgess Jr., orator.

Jess F. Reed, William E. Skinner Jr., Paul S. Cline, R. David Harley, Keith A. Seybert, David B. Throne, Bradley W. Lane, preceptors; Anthony P. Tsigolarkoff, scribe; and Stanley C. Myers, assistant scribe.

Junior line officers installed were: master counselor, Michael K. Christich; officer counselor, Paul R. Woodruff; junior counselor, Nicholas L. Thornhyke; treasurer, Merle L. Castellini; senior deacon, Frank D. Chandler; junior deacon, Charles B. Coerver; senior steward, E. Newton Hackney; junior steward, Kurtis L. Gull, and Don M. Wilson, Kirk A. Potillo, Terry A. Sutton, David L. Goodridge, Christopher S. Hendrix, Rickie L. Endicott, Clinton L. Senaubaugh, preceptors.

The installing team composed of Chevaliers from the Granite City Court of Chevaliers were: Charles E. Hileman Jr., David M. Epping, William A. Cochran Jr., Robert F. Maxwell, Anthony P. Tsigolarkoff, William B. Berger.

While being installed at the altar as master counselor a solo was sung by Miss Jennie Powderly to James Boyd.

Upon receiving the gavel from installing Officer Hileman, Boyd introduced and thanked the installing team. He then had Stanley Myers escort his mother, Mrs. Boyd, to the altar where he presented her with a bouquet of roses as Miss Powderly sang a solo to Mrs. Boyd.

They also performed at numerous military installations, including the U.S. Naval Academy on July 4, 1967, as well as the U.S. Naval Hospital, Philadelphia, Scott Air Force Base and the Granite City Army Depot.

The original group and the current group average two shows a month at nursing homes or civic events.

An added attraction for the new group of Checkerboard Squares has been the "golden aged violinist," Mrs. Emma Boyd, 88, who has accompanied the group on the last several shows to play a medley of tunes reminiscent of the early 1900s, and to provide live music for the Checkerboard calling staff.

Future appearances will include performances May 1 and 2 at the St. Clair Historical Society annual street fair, in Belleville, from Fulton Street to Abend Street. Also, the group will entertain residents of the Notre Dame Nursing Home, 6401 W. Main St., Belleville, May 15. John Boyd is the director and caller.

Miss Kathleen Lane, past honored queen of Job's Daughters played the installing marching numbers and accompanied Miss Powderly in her solos.

Boyd introduced other members of his family and relatives. Miss Lane Smith, honored queen of Job's Daughters, who introduced other officers of Bethel B. and Mrs. Becky Slate, Bethel guardian. Lisa is the chapter's Sweetheart.

Also introduced and speaking briefly were Loren Worthen, worshipful master of Granite City Lodge 877 AF&AM and master councilors from Edwardsville Chapter and Lewis and Clark Chapter, Cahokia. The master councilors also had other DeMolay officers from their chapters introduce themselves.

Mrs. Mary Groshong, president of the DeMolay Mothers Club congratulated the new officers, and presented other Mother's Club officers. Boyd, on behalf of the chapter, thanked the Mother's Club for its support and they were given standing ovation by the DeMolay officers and members. Boyd then presented Mrs. Groshong with a corsage.

Chapter Advisor Charles Meyer presented Stanley C. Myers, retiring master counselor. In a past master councilor's jewel, who in turn presented James Boyd with a master councilor's pin.

Myers also presented the "DeMolay of the Term" trophy to Dennis Worthen, son of Mr. and Mrs. Loren Worthen, Granite City. The installation was closed by the "Forming of the Cross" by the Job's Daughters, followed by "Nine O'Clock Interpolation" by chaplain Dennis Worthen.

Refreshments were served by the Mother's Club and dancing was to the music of "The Fantasy" in the dining hall following the installation.

(Q) MY DEAREST FRIEND HAS JUST LOST HER HUSBAND. HOW CAN I HELP HER IN HER GRIEF?

(A) Religious and medical experts appear to agree six ways you may help:

1. Assure your friend her situation is not unique.
2. Don't pretend nothing has changed—it has!
3. Encourage her to talk about her loss.
4. Remind her of the benefits her husband gave his family and the contributions he made to his community.
5. Don't try to do this alone. Enlist the aid of family, friends and professionals.
6. Remember your role is that of friend—not counselor.

Convicted

(Continued from Page 1)

to see what had been done. He further testified that one of the juveniles, referred to here as Juvenile B, had worn Strubberg's hat on the morning of the murder.

Strubberg's testimony differed from the case outlined by the prosecutor, Assistant Madison County State Attorney Robert Trone.

Trone contended Strubberg and one juvenile had entered Mrs. Griffin's home and that Strubberg had struck the sleeping victim a total of seven times with a baseball bat. They then stole her purse, containing about \$14, it was alleged.

The prosecution introduced a total of 92 pieces of evidence into the record, including the front door and front screen door of Mrs. Griffin's apartment.

Trone called to the stand Thursday afternoon Strubberg's brother-in-law, Jack Robertson, who also lives at 4510 Kirkpatrick Homes.

Robertson testified he observed Strubberg break into the apartment and strike a woman four times with a baseball bat.

He told the jury he and Strubberg entered the apartment and looked for the woman resident, who was found asleep in the bedroom.

"Steve went in with the bat on his shoulder. I was right up with him in the bedroom door. He came back out but said he couldn't do it. He said, 'You hit her.' I said I couldn't hit her," Robertson testified.

He continued, "I told him to put the bat down and just use your hands if she wakes up. He went in and he hit the lady with the bat."

He said he did not see where Mrs. Griffin had been hit.

Trone questioned how many times Mrs. Griffin was struck and Robertson responded, "Four times."

Robertson continued, "He told me to hurry up and get the purse. I got it." (from the floor). I said let's go and he said, 'no, no, no, yet.'"

"He went to the front door and he came and shut it and said, 'Don't go yet.'"

"He went back in the bedroom and I went to the front room," Robertson testified. He recalled that Strubberg said, "I got to make sure she's dead."

The witness continued that Strubberg "went back in and he hit her about three more times," Robertson alleged. The three were in addition to the original four blows, it was contended.

"It sounded like a stick hitting mud," Robertson testified.

He said Strubberg returned to the living room and then went back into the bedroom and Robertson left and went back to his house.

He said he had Mrs. Griffin's purse with him and that nothing was taken other than the purse.

About five to 10 minutes later, Strubberg returned home, Robertson related. He recalled that Strubberg was wearing a red shirt, a hat, blue jeans and a coat belonging to John Henderson, 2808 Kirkpatrick Homes.

Robertson said Strubberg took off the coat and put it on the kitchen floor.

Robertson took the money from the purse, about \$14, and threw the purse and billfold on the roof, he told the jury.

Trone showed him Mrs. Griffin's purse, which he identified as being the same one.

Testifying about the money, Robertson said, "I didn't want it. Steve said it was about \$14."

"Steve said, 'Since I killed the lady, I deserve the money,'" Robertson told the jury.

He continued, "Steve kept saying he killed the lady."

Robertson testified Strubberg

said he had lost his cigarettes, a glove and a screwdriver. "He asked (Juvenile B) to get them. I called him on the telephone."

"I said, 'Steve killed the lady,' and Steve said he wanted to talk (on the telephone)," Robertson related.

Robertson related Strubberg got on the telephone and wanted the juvenile on the other end to get the bat (from Mrs. Griffin's home) and see if he could find his cigarettes, glove and screwdriver.

He said the conversation was about 4:15 or 4:30 a.m. the day of the murder. Strubberg and "B" talked on the phone about a half-hour, Robertson said.

"He (Strubberg) kept asking me if I would go back and get them," Robertson testified.

He said "B" came over about 6:35 a.m. and asked "Are we ready?" they then went toward Mrs. Griffin's home.

On the way, they found the cigarettes and glove, while a screwdriver was found by the front porch of the home. He said the juvenile commented he was not ready to go in yet, "so we walked around the block."

He said they then went inside and Juvenile B picked up the bat and they returned to Robertson's home.

Witnesses called for the rebuttal stage Friday included Granite City Police Detective Don Knighting, who testified about questioning Strubberg's wife, Diane, after the murder. He alleged she told him she did not see her husband at all on the day of the murder until about 5:30 a.m. or 6 a.m.

Diane Strubberg's sister, Robin Wren, was called to testify during the rebuttal stage of the trial.

She testified to discussing with Mrs. Strubberg what to do with a pair of bluejeans which had stains on them resembling blood. It was decided to wash them, she said.

The defense opened its case Thursday afternoon and Attorney Jack Strellis said in his opening statement to the jury, "I'm going to prove that Steve Strubberg was framed."

He contended two juveniles were responsible for the "frame-up."

Among defense witnesses Thursday were Strubberg, who said she knew nothing about plans for a burglary and who testified her husband was in bed with her at 5 a.m. on the morning of the burglary and murder.

She said he was not wearing that day a pair of bluejeans introduced into evidence.

Judy Hutchings, a neighbor, testified there had been several young people around the Robertson home the morning of the murder. She supported Strellis' contention that it may have been someone other than Strubberg seen going to the home wearing a borrowed coat.

Testifying Friday was Danny Hornberger, who said Strubberg had been at his home the evening before the murder and that Strubberg had left his coat at Hornberger's home.

CHARGED IN VIOLATION Troy E. Howell, 26, of 2512 Jerden Ave., was arrested at his home at 3:30 p.m. Thursday and was charged with violating the terms of his probation. His bond was set at \$10,000 and he was released after posting \$1,000 cash.

RADIO IS STOLEN A citizens' band radio valued at \$185 was stolen from the truck of John Spelver, Collinsville, parked at 21st Street and Missouri Avenue, it was reported last week.

Tri-City remodeling complete

Remodeling of the Tri-City Grocery at Bellemeor Village Shopping Center, providing additional features that will increase the volume and variety of merchandise available, has been completed, store officials announced last week.

The remodeling program provides a total of over 17,000 square feet of shopping space and includes a hot barbeque department for take-out service.

Completion of the remodeling, officials said, makes available a total of 72 linear feet of new four-tier meat cases, 152 linear feet of "air curtains" frozen foods, 48 feet of frozen fish and sea food items, 56 feet of fresh dairy cases and 96 feet of fresh produce cases.

Tri-City Grocery also features the first computerized check-out system in the metropolitan area. Dave Huffstutler is grocery manager and Steve Diak is the meat manager.

More than 350 attended the traditional opening, sponsored by the Granite City Service Club, the local young men's service club.

Public affairs followed the opening, a reception for the candidates and their families and friends was hosted by the Jaycees at Tri-City American Legion Post 113 Hall. Over 90 invited guests were present at the latter event.

Ollie Raymond, KMOX-TV weatherman and host-producer of the "St. Louis Thrasher" public affairs television program, was master of ceremonies for the pageant.

Owen Ross, pageant chairman and past president of the Jaycees, gave the welcoming remarks and introduced each contestant.

A Bicentennial Year theme prevailed in the stage decorations and the opening program featured all the candidates, was "What's More American Than I Am."

Granite City Mayor Paul Schuler presented the new Miss Granite City with a bouquet of red roses and gave bouquets of white carnations to the other contestants.

Miss Melanie Asadorian, the 1975 Miss Granite City, crowned her successor with the crown and tiara and placed the royal robe about her shoulders.

The retiring queen also entertained the audience, singing "Cabaret" and "My Way." She wore a full-length pale blue gown trimmed with ostrich feathers at the wrists and hemline.

In the swimming suit sequence of competition, Miss Koliste chose a white bathing suit made along tailored lines.

For the evening gown segment she selected a brilliant emerald green gown, accented with rhinestones and featuring a triple row of orange crystal beads on the bodice.

Among the gifts Miss Koliste received were a \$250 scholarship, perfume, a trophy, a wardrobe of clothing and an all-expense paid trip to the Miss Illinois Pageant, scheduled July 18 to July 24 at Aurora.

The community's newest Miss Granite City is a graduate of Madison High School and presently attends SIUE, where

she is majoring in nursing and is a Dean's List student.

She has studied organ for seven years, served as bat girl for the SIUE baseball team and is a swimming and bicycling enthusiast.

Miss Koliste was first runnerup in the 1975 Miss Granite City contest and was chosen Miss Proffitt, first special maid to Miss Safe Roasting of St. Louis last year.

Judges for the 1976 pageant were Mr. and Mrs. Jerry Nelson of Collinsville, the former is field director for the Miss Illinois Pageant and both are experienced contest judges; George Kroder, associated with the Miss Collinsville Pageant for eight years; Mrs. Mary Ann Hill, who recently returned to Granite City from Texas where she operated five dance studios and appeared on television programs there; and Al Maescher, a St. Louis advertising agency executive who has been associated with the Miss Missouri Pageant and Miss Teenage America in St. Louis, and also founded the anti-drug abuse program in that city.

Assisting the contestants in the dressing area were Jaycee Ette members, Mrs. Marlene Ross, Mrs. Wanda Hill, Mrs. Bobbie Hatfield, Mrs. Peggy Hoffman and Mrs. Nancy Krause.

Acres of Art show Sunday The annual "Acres of Art" show of Granite City School District 9 will be held from 1 p.m. until 4 p.m. Sunday in Memorial Gymnasium at Granite City High School South.

The show is under the direction of Eugene Alassi, art education consultant, and under the sponsorship of the area Parent Teachers Association. Thousands of pieces of art work will be displayed by students from kindergarten through senior high school.

The music department will contribute a vocal and instrumental concert on the front lawn near the gym.

There is no admission charge and the general public is invited to attend, according to Alassi.

Adrean Rains, 62, succumbs Adrean E. Rains, 62, of 2210 Dewey Ave., Ill. for 10 weeks, was pronounced dead at home at 11:30 a.m. Sunday by Edward Werner, Madison County deputy coroner.

Born in Pamona, Ill., he had resided in this area 34 years.

Mr. Rains was employed for 30 years as a cormaker at General Steel Industries and currently was working as a maintenance man at Wilson Park.

He was a member of the Second Baptist Church and had belonged to the Teamsters Union at the plant.

Survivors include his wife, Mrs. Norma Rains; four sons, Adrean Jr., John Thomas, James Edward and Donald Ray Rains; and one daughter, Mrs. Don (Betty Lee) James, all of Granite City; one brother, Oliver Rains of Granite City and seven grandchildren.

Funeral arrangements are given in the obituary column.

DOGS STOLEN Two hunting dogs, one a black and tan and the other a red bone color, valued at \$1,200, was unchained and taken from the yard of Willie Hunt, 1615 Sixth St., it was reported to police at 5:15 a.m. Saturday. Hunt said both dogs were collared with his name and address on the tags.

FIELDER

Warrior, Steeler nines win two each

An overall victor of GCHS South's two-day round-robin baseball tournament held Friday and Saturday will be decided at a later date and a contest between the Warriors and GCHS North.

Both Granite City schools won two games each in competition with teams from Johnston City, Ill., and Blytheville, Ark.

Coach Conrad Champion's Warriors defeated Blytheville 7-5 on Friday and beat Johnston City 10-2 Saturday.

GCHS North, coached by Robert Stegemeier, beat Johnston City 4-3 Friday and won 5-4 Saturday over Blytheville. Another contest Saturday saw Blytheville win 5-3 over Johnston City.

A deciding contest between North and South was not played due to darkness. Last year, a North-South contest was rained out.

Warrior pitcher Tom Stajduhar played the national anthem on a trumpet and led the program, and Granite City Mayor Paul Schuler pitched to former Granite City School Board President George Moore. South, Keith Champion, Jeff Scarborough and Keith Moran mustered hits for South's two runs.

Winning pitcher Stajduhar held the Arkansas squad scoreless for the rest of the game while fanning 10 batters. South scored in the third when Champion singled and rounded the bases as a flyball was dropped by an outfielder.

The Warriors pushed another run across in the fourth inning. Ed Prazma singled and was drawn by Joe Parente, Champion and Scarborough.

South got the tying and go-ahead runs in the sixth. Champion doubled, Scarborough walked and advanced on a passed ball, and Warfield tripled in both runs.

Singles by Moran, Randy Smith and Dan Schaub in the seventh added another South run.

Hits were by Champion (three), Moran (two) and Scarborough, Warfield, Prazma, Smith and Schaub.

BIG CATCH. Jack D. Rainey, 2625 Center St., used a spinner bait to land this 7 1/2-pound large mouth bass from a farm pond near Red Bud. He said the fish will be mounted and join three other large species on a living room wall at his home.

Madison captures 14-school Red Bud track competition

Not since six years ago when Madison High School won the O'Fallon relays have the Trojans captured a multiple high school track and field meet in the eight-year tenure of Coach Charles Steptoe—until Saturday, when Madison swept to victory in the 14-school Red Bud invitational.

Madison earned 60 points in winning the second annual event.

Trenton Weslin High had 58 points, defending meet champion Duquoin 30, Red Bud 29, Duquoin 25, Chester 21, Nashville 20, Waterloo 18, Marissa 12 and Freeburg 10. Falling to earn points were Columbia, Trico, New Athens and Watonsville, Mo.

Placing first in events at Red Bud were a 440-yard relay squad of Marcus White, Curtis Bradley, Dwight Chiles and Von Dee Walker in 45.8 seconds (new meet record), Mike Terrell 120 high hurdles in 16.0, Walker 100 dash in 10.5, Terrell 330 low hurdles in 39.7 (new meet and school record), Varsity 800 relay squad of Terrell, Chiles, Bradley and Walker 1:35.8 (new meet record), and freshman sophomore 800 relay squad of James Heist, Sylvester Collins, Earnest Davenport and White 1:40 (new meet record).

South, North tie for 5th on Mattoon track

GCHS North and South both earned 38 points Saturday for a 10th-place tie in the 13-school Mattoon track and field invitational meet.

Danville captured the event with 119 points. Lebanon had 62, Urbana 48, Mount Vernon 42, South and North, Lincoln 32, Centralia 28, Mattoon 24, Charleston 23, Decatur Lakeview 17, Decatur

KNOXMAN, TESSARY WIN

Granite City's Dave Knoxman and Terry Tessary posted scores of 66 and 65, respectively, to capture a two-man scramble golf tournament at Paddock Country Club Estates in Florissant, Mo. Going into the final day of the two-day tournament, which started Saturday, they trailed by four strokes and rallied with a seven-under-par score to win by one shot in an 85-team field.

Shutout tennis win by Warriors

GCHS South netmen on Saturday blanked host Champaign Central 9-0. A school tennis meet at Champaign Centennial Saturday was rained out.

Warrior victors were Tim Frost 7-6, 6-3, Mike Papp 6-1, 7-5, Kevin Worster 7-5, 6-1, Andy Hall 6-2, 6-3, Ron Backs 3-6, 6-1, Tom Baker 6-2, 6-1, Paper Ladd 6-2, 6-4, Worster Mike Hayes 7-5, 6-3 and Jeff Hagopian Mark Krinski 6-4, 6-4.

Linhart leads Ill. State at bat

The Illinois State University Redbirds, batting only 247 as a team, are led by sophomore second baseman Greg Linhart with a .361 mark. The Granite City South athlete is the only Redbird regular over the .300 mark, and he's compiled his record since missing the spring trip.

"We didn't have a place to play him," Coach Duffy said, "but he got his opportunity to try and he really took advantage of it. He's been phenomenal since then."

Linhart has been 24-for-69 with 13 runs batted in. The team leader in RBIs is senior first baseman Gary Krieger of Chicago (St. Francis de Sales) with 21, accumulated in double the number of times at bat.

The Normal-Bloomington Redbirds have overcome their soft hitting with team speed and daring baserunning. ISU has stolen 86 bases in 107 attempts.

"Our ability to put pressure on the other team has helped us," Bass comments. "Our kids are looking for any kind of flaw in the defense, and have the speed to take advantage of it."

ISU has zoomed to a 30-17 season record on the current spree, which came on the heels of a five-game losing streak.

"Baseball is such an unpredictable game," the coach concludes. "We played just as well at Eastern Illinois—where ISU dropped a four-game series—as we have the last 10 games of 1983 has been a doubleheader with Bradley, a four-game set with Northern Illinois, a three-game series with St. Louis and a single meeting with Wisconsin Wesleyan."

Not since the national championship (college division) season of 1969 has a single 10-game winning streak. That string was broken in extra innings, and ISU went on to win seven more in succession during a 33-5 season.

Ten is not a record, however. Bass's 1966 team won 14 in a row (21 of its first 22 games) during a 28-4 campaign.

Manager sought for tee baseball

A volunteer manager is being sought by the Granite City Park District to guide first-year team Division youth, age 8, in Official Friendly League T-ball competition starting May 8.

Harold Brown, director of parks and recreation, has explained that the sport is a combination of golf and basketball.

The ball is placed on a tee at homeplate, and a batter is allowed to run the bases if he successfully knocks the ball off the tee and it rolls outside of a 15-foot circle drawn in front of the plate. He is allowed three strikes.

Persons interested in managing a team are to contact Brown at the park office, 877-3059.

Fire destroys Chouteau home

Fire destroyed a two-story frame house on Chouteau Island between the canal and the river on the north side of 1-270. Two firefighters were called at 1:15 p.m. Sunday and 17 firefighters were at the scene about two and a half hours.

Lake fire department tank was called for additional water. Firemen did not have the name of the home owner and no estimate of loss was given.

Car hits pole, two injured

Two young men were injured when their car struck a utility pole on Madison Avenue 400 feet south of 17th Street at 1:15 a.m. today.

The driver, Timothy Porter, 19, Alton, said he was adjusting his car's radio when he lost control and it struck the pole. He suffered injuries to his left knee, left shoulder and his back.

Porter was taken to St. Elizabeth Hospital and he was released.

Also taken to the hospital was Steven Rippe, 19, of 1306 Meridian Ave., a passenger in the car, but he did not require treatment, officials said.

4-1 tennis defeat

Madison High's tennis team lost 4-1 Thursday to Boholito the Trojans court. Mike Terrell lost 5-7, 2-6. Pat Winston lost 3-6, 3-6 and Ron Jones lost 4-6, 6-3, 6-3. William Garrett-Mike Woods lost 3-6, 1-6 in doubles, and Robin Duto-Wally Rajewski lost 6-7, 6-7.

BET YOU DIDN'T KNOW

Brought To You By Milmoth Mothes

Do you know when the first NCAA championship basketball tournament was held, and who won it? ... First one was staged 37 years ago, in 1939, and the first school to win it was the University of Oregon.

Here's an oddity that happened in the NCAA championship basketball tournament - and what are the chances of it ever occurring again? ... EACH of the teams that finished first, second and third in the NCAA tournament of 1939 ALL had names starting with the SAME letter "O".

Oregon finished first that year, Ohio State second and Oklahoma third. Do you think it will ever happen again? ...

Oddly enough, a "substitute" team once won the NCAA championship basketball tournament. In 1944, just before the tourney was to start, Arkansas withdrew because two of its stars were in an accident. NCAA officials frantically looked for a team to replace Arkansas.

Finally Utah consented to substitute even though Utah had finished only third in their conference and had already lost in the National Invitation Tournament and were eliminated there.

But Utah surprised everybody by then winning the NCAA tournament!

BEAUTIFICATION PROJECT. Planting of 43 flowering crabapple trees along Nameoki Drive near 25th Street was undertaken last week in a project initiated by Mrs. Carleen Lee (center, standing by digging unit), and co-sponsored by a group of citizens, civic leaders and city officials. In front center, from left, are Mrs. Lee, and Mayor Paul Schuler, with shovel. Back row, from left, Randall Lee, an area resident; Alderman Glenn Sprankle of the Fourth Ward;

Superintendent of Streets Lionel Portell; Dave Lehn of the Coordinated Youth Services; Al Mitchell and Dave Hutchings of the city street department; Lawrence Budding, a participant in the program; Alderman Warren Decatur of the Fourth Ward, and Bill Harrison, 16th precinct committeeman. The trees were contributed by Alderman Decatur and other expenses were contributed by Mayor Schuler and Alderman Sprankle. Other contributions of supplies were made by the Granite City Glass Co., and Schermer's Market of Madison.

TREE PLANTERS. Assistance in planting 43 crabapple trees along Nameoki Drive near 25th Street was offered by these manpower employees of the Coordinated Youth Services. From left, Tim Hughes, Dave Lehn and Bill Hill plant one of the trees which were donated in a beautification program sponsored by a group of citizens and city officials. Lehn is director of the CVS Community Recycling Center at Adams Street and Niedringhaus Avenue, and Hughes and Hill are employed on that project.

Eagle Park groups to protest tax proposal

A public meeting for residents of Eagle Park Acres is scheduled at 7 p.m. Wednesday to formulate a protest against the Madison County Board's approval to establish three separate special taxing districts for the proposed four township sanitary sewer program.

Calling the meeting are William Van Buren, president of the Eagle Park Acres Improvement Association, Johnnie "Bud" Jackson, acting chairman of the Eagle Park Action Committee and Eddie Lee Salmond, Venice Precinct Three committeeman.

The meeting will take place at the Eagle Park Acres Improvement Association Hall. Some concerned citizens in Eagle Park Acres have aired considerable resentment against the proposed tax increases, stating that "taxes are too high now for the few accommodations that we have at present in the area," according to a spokesman for the groups.

He continued, "Others have stated that we may have to move to the Granite City surrounding area for a better tax break."

Also at the public meeting, discussion will take place concerning incorporation of Eagle Park Acres into a self-governing community and plans for an area trash pickup service, the spokesman said. "We urge all Eagle Park residents to attend and state their views on these important matters," he stressed.

A public hearing on the proposed establishment of three separate special taxing districts for the four township sewer program has been announced by the County Board for 11 a.m. May 15 at the Madison County Courthouse in Edwardsville for residents of Area 3, which includes the Eagle Park Acres community.

Walker group chartered by Howlett

Not that red tape slows things down, but Secretary of State Michael J. Howlett's records showed Friday that a not-for-profit corporation charter has just been issued to Dan Walker for Governor (Metro-East) Inc., 2945 Madison Ave., Granite City.

Incorporators are Von Dee Crane, Joe Hammerslough and Richard Allen.

The group was listed as political, Attorney Allen, 2623 Madison Ave., is correspondent. Walker was an unsuccessful candidate for renomination as governor in March. Crane is Granite City assessor. Howlett defeated Walker in the primary election.

STRAL RADIO
A \$182 citizens' band radio was stolen from the pickup truck of Ken Spiroff, 4500 Wabash Ave., parked at Cliff's Grill, it was reported last week.

Plan meeting delayed again

The special meeting of the Granite City Plan Commission, which was to have been held Thursday afternoon, was cancelled due to the lack of a quorum.

Cases scheduled for consideration at that meeting will be considered at the commission's next regular meeting Thursday, May 13.

Wednesday's special meeting of the Board of Appeals also was cancelled due to lack of a quorum, but decisions on four zoning requests were reached after board members were contacted individually and each agreed with the recommendations of the building inspector.

Approved were requests for Fred Munton, 2665 Boyle Ave., for a 20-foot front yard rather than 25 feet; Emmett Clemens, 3818 Nameoki Road, for a 17-foot front yard rather than 20 feet; Jack Heaton, 3251 Edgewood Ave., for an attached garage two feet from the side property line, and Richard Kalka, 3156 Wayne Ave., for a garage three feet from the side property line.

I-270 detour to last for a month

The collector-distributor lanes for the Illinois Route 203 and Wagon Road Interchange with Interstate-270 will be closed on Wednesday, April 28, 1976 to allow the contractor to patch, waterproof, and overlay the bridge decks.

The closure will be for approximately one month.

A marked detour will be

provided by the Illinois Department of Transportation. The detour will consist of routing westbound I-270 traffic to Illinois 203 over Illinois Route 3, Old Chain of Rocks Road, Maryville Road and Wagon Road.

Eastbound I-270 traffic will be routed over the same marked detour.

Post earnings 19¢ per share

Post Corporation earned \$163.997 or 19 cents a share from continuing operations in 1976's first quarter, the firm announced Thursday. Comparable figures for last year were \$169,947 and 20 cents a share. The company, which publishes newspapers and operates TV and radio stations, formerly also owned a property-casualty insurance company, which it disposed of in October. In 1975's first quarter, the insurance firm's losses caused Post Corp. to report a loss of \$535,697 or 50 cents a share.

A spokesman said a number of non-recurring expenses depressed profits during this year's first quarter. These included payment of \$108,000 above normal for newspaper during a strike at Canadian paper mills, and absorbing a

\$66,000 loss on sale of securities. Post Corp. shareholders Friday re-elected three directors to three year terms at the firm's annual meeting in Appleton, Wis. Re-elected were Roger C. Minahan of Whyte & Hirschbeck, S. C., Milwaukee, John H. Hendee Jr., executive vice president, First Wisconsin National Bank, Milwaukee, and Richard J. Appert, president, Appertacres, Inc., Experimental Farming, Sylvania, Ga.

Directors at a subsequent meeting declared a regular quarterly dividend of 15 cents per share payable June 30 to shareholders of record June 16, 1976. The directors also re-elected officers including V. I. Minahan, president; David L.

Nelson, executive vice president and treasurer; John B. Torinus, vice president; Mary M. Walter, vice president; Roger C. Minahan, secretary and general counsel; Lawrence J. DeCoster, assistant secretary-treasurer, and Elmo W. Reed, vice president, communications engineering. Other directors include William H. Zuehlke Jr., senior vice president and director of investments, Aid Association for Lutherans, Appleton, and J. Victor Lowi, chairman of the board, Lowi & Co., Milwaukee.

Philathea Class hears report

Mrs. Mary Ahlvers, president of the Philathea Class of Niedringhaus United Methodist Church, opened the April meeting with devotions taken from an article by Oral Roberts, and a poem entitled, "His Wounds Are Mine" from "Flashlight" magazine.

Prayer was offered by Mrs. Lucy Weaver. Miss Katherine Van Order gave the Baranica Philathea news, reporting the worldwide Philathea convention will be held at Cedar Crest College, Allentown, Pa., on Aug. 2 to 7.

She noted the memorial column told of the death of Gladys Gibson, who was an active member of the class prior to moving to Florida. Miss Van Order recalled her experiences at a convention in Frederick, Md., when she visited Tower House, headquarters of Baranica Philathea. She added the grounds were once part of the Mount Vernon estate in Virginia.

Treasurer Miss Mabel Stewart announced memorial flowers had been ordered for the late Mrs. Esther Langoff, who had been an active member, and a gift was purchased for the Rev. E. V. Campbell in appreciation of his talks at class meetings. He has moved to St. Louis, she added. Hostesses Nelle Hart, Villa Mae Martin and Mary Miller served refreshments to 18 members and a guest, Mrs. Lillian J. Fox.

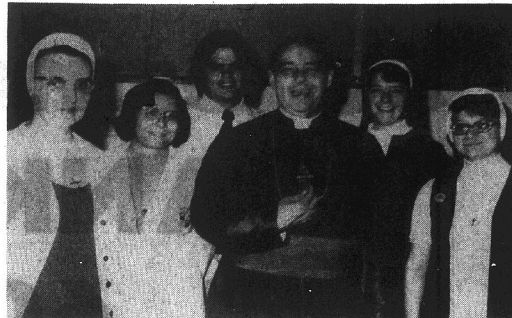

St. Elizabeth confirms 170

Confirmation ceremonies for 144 children and 26 adults were conducted by The Most Rev. Joseph A. McNicholas, Bishop of the Springfield diocese last week at St. Elizabeth Roman Catholic Church, Johnson and Ponton Roads.

The first confirmand was John Becherer, a nephew of the Rt. Rev. Magr. Paul Sheridan, a former Granite City resident. Richard Becherer served as sponsor for his brother.

Also participating in the service were the Rt. Rev. Magr. Lawrence Mattingly, pastor of St. Elizabeth and his assistants, Father Kenneth Becker and former assistant Father John Savoree.

Sister Margaret Mary, school principal, and members of the faculty, Rosemary Tomlouic, Wayne Scannell, Sister Carolyn and Sister Rosella, attended the ceremonies and reception which was held in the church basement for the parents, friends and members of the parish following the event.

BISHOP AND FACULTY. The Most Rev. Joseph A. McNicholas, Bishop of the Springfield diocese, center, with the faculty of St. Elizabeth School at a reception which followed confirmation ceremonies at the church last week. From left, Sister Margaret Mary, principal, and teachers Rosemary Tomlouic, Wayne Scannell, Sister Carolyn and Sister Rosella.

Mrs. Dover is shower honoree

Mrs. Wilma Dover and her 10-week-old son Daniel Ray Dover were honored at a baby shower given by the ladies of the Church of God, Orville and Vine streets, last week.

Green and white colors decorated the church hall for the event. After the gifts were opened games were played and prizes awarded to Mrs. Pearl Hindman and Mrs. Kay Francis.

Others present were Mesdames Dena Clark, Patricia Birks, Nellie Hills, Helen Hickham, Charlotte Schuman, Ruth Parchment, Diana Turner, Janice Gibson, Debbie Morrison and daughter Tamara and Norma Stoder.

Parkview faculty entertains parents

The Parkview School faculty entertained the parents at the April PTA meeting which featured a fun-time take off on fashions known as Frivolous Fashion Frolic.

The moderator was Jim Addington and the musical accompaniment was by Mary Jane Foster. Such fashions as the leisure suit for men, the wet and dry look for men, the accordion-pleated dress, ball gown, Can-Can skirt and warm pants were featured.

Intermission entertainment was provided by the kindergarten classes of Mrs. Elizabeth Briggs and Mrs. Kathy Gregus. Prizes were awarded and refreshments were served.

Wilson PTA holds quiz game

Miss Susan Doty led a spinoff of the Hollywood Squares television game show with students as contestants and parents as celebrities at Wilson School PTA meeting last week at the school.

Judy Cooper served as the announcer and those participating in the games were Bud Pascoe, Dorothy Baker, Ted Vrenick, principal; Sharon Eartney, Joe LeMaster, Larry Eartney, Pat Jackson, Marjorie Freeman and Olivia Parrish.

Game winners were Dana Evans, David Brown, Dale Reisinger and Diane Garrison. President Dorothy Baker opened the meeting followed by Brownie and Girl Scout leaders, Harriet Evans, Marie Powell, Linda McGee, Shirley Star and Olivia Parrish, presenting the colors.

Mrs. Barbara McCaskey offered the PTA prayer. An election of officers for the forthcoming year was held with Mrs. Baker re-elected as president; Mrs. Evans, vice-president; Mrs. Parrish, secretary, and Mrs. Phyllis Goske, re-elected as treasurer. Mrs. Baker also is president of the PTA Area Council.

Plans were finalized to install a junkyard playground during June and July and Mrs. Sylvia Woods reported a final meeting on preparations for the annual school picnic will be held at 9 a.m., May 3 at the school. The picnic will be on May 21 and parents are requested to help at the event.

Wilson School and the PTA plans to participate in community projects which includes volunteers on call to aid in the Red Cross disaster program; take part in the Bicentennial clean-up week conducted by the Chamber of Commerce May 15-16.

22, and also to have parents assist in the pre-school survey being conducted throughout the school district.

Mrs. Baker said orders are being taken for the picture taken on "red, white and blue day" held at the school, a cost of \$2.25.

Revival opens at Temple Baptist

The Temple Baptist Church, 1906 Harris Ave., Madison, is sponsoring a week-long revival, beginning today and continuing through May 1. Services will be held and films will be shown each evening at 7:30.

According to church leaders a series of films in varying categories fitting the theme of the revival will be shown, as follows:

Tonight, "In His Steps," involving Christian commitment; Tuesday, "God Owns My Business," involving personal evangelism and stewardship; Wednesday, "My Son, My Son," involving family relationships toward children; Thursday, "Big Splash," a film for children; Saturday, "God Loves People," a Christian film which church leaders said portrays God's Love for People. The public is invited to attend.

Salon 53 entertains departmental Chapeau

Madison County Salon 53, Eight and Forty, entertained the departmental Chapeau on Sunday at Lewis and Clark Restaurant, East Alton.

Plans for the event were completed at a meeting held in the home of Violet Schmidt, Edwardsville, with Chapeau Inn Campbell presiding.

Twenty-two members attended and reported on the Pourvoir held in Salem, Ill., last weekend.

Hostesses for the evening were Mrs. Schmidt, Hulda Rehmeyer and Dorothy Hinson. After luncheon games were played and prizes awarded to the winners.

Those attending were from Alhambra, Alton, Edwardsville, Highland, Madison and Granite City.

1951 GCHS grads seek 8 classmates

The planning committees of the January and June 1951 graduating classes of Granite City High School met last week at Charlie's Restaurant to continue plans for the class reunion scheduled for July 24. All members of the classes have been contacted with the exception of eight, who include Jim Christine, Wanda Farnham, Kenneth Flynn, Jim Gaston, Bill Marr, Carol Orr, Kenneth Petersen and Norma Counts.

The latter is known to be residing in McMinnville, Tenn., but the committee needs the street address, according to Mrs. Sue Champion.

Anyone knowing the addresses of these persons are requested to contact Mrs. Champion at 877-1483 or Mrs. Marcia Buenger at 877-3111.

1956 Madison grads seek classmates

The 1956 graduating class of Madison High School are planning a class reunion to be held June 26 at the Knights of Columbus Hall, 21st Street and Edison Avenue.

A buffet dinner will be served at 6 p.m., followed by dancing, it was announced. Tickets costing \$10 a person or \$20 a couple are available from Mrs. Carol Childers, 1710 Sixth St., Madison, or by calling Mrs. Georgina Obuchina at 878-6785.

Book traces local university, '49-76

A history of the founding and development of Southern Illinois University at Edwardsville, "Retrospect at a Tenth Anniversary," by David L. Butler, a member of the faculty, will be published by the Southern Illinois University on May 20.

Dr. Butler's book recounts the university's history here from 1949, when classes were offered by Carbondale faculty at a residence center in Belleville. The book also tells of the widely-supported civic campaign begun by residents of the Quad-Cities and surrounding area to bring about the establishment of a branch of Southern Illinois University in the Madison St. Clair Counties area.

It relates the unique plan for a major university campus that was completed before any construction was begun, and the moves toward autonomy that have led to designation of the university as one of two co-equal institutions governed by the SIU Board of Trustees.

The book deals in detail with pioneering work done by Dr. Delyte W. Morris, the founding president, and the local campus' emergence as a major institution under Dr. John S. Rendleman, who became chancellor of the new university on July 1, 1968. Dr. Rendleman served as president from Sept. 1, 1971, until his death March 4, 1976.

Dr. Butler's work includes sections on recent academic developments, the university's emphasis on community service, establishment of the Mississippi River Festival, growth of the intercollegiate sports program for both men and women, the alumni, and a look forward to the university's commitments in the future.

The author has known SIU at Edwardsville both as a student and a faculty member. He enrolled as a student at the SIU residence center in Alton in the fall of 1962, and also attended classes at the East St. Louis center.

He received his baccalaureate degree from SIU in 1964, became a teaching assistant at SIUE in 1967 and earned a master of arts degree in English here in 1968. At that time he was appointed an instructor in the Department of English.

He received his Ph.D. degree in English from St. Louis University. He is now an assistant professor of English and director of basic studies in

the English department at SIUE.

The history is being published as part of the university's observance of the tenth anniversary of the opening of the 2,600-acre campus.

The 114-page book, which includes 57 photographs, is available in cloth binding for \$8.95 and in paperback for \$5.95.

Copies may be ordered from area bookstores or direct from the SIU Press, which has offices on the SIU campuses at Edwardsville and Carbondale.

Law and Order banquet May 10

William O. Brey, chief of law enforcement, of the Illinois Department of Conservation, will be the guest speaker at the Sixth Annual Law and Order banquet, May 10, at Charlie's Restaurant. The banquet is sponsored by Elks Lodge 1063.

Brey began his law enforcement career as a patrolman on the Evanston, Ill. Police Department in April 1952. During 1954 to 1967 he served as a motorcycle patrolman, sergeant, lieutenant and director of Planning and Training.

In 1967 he became Chief of Police of Normal, Ill., and accepted the same position in Danville, Ill., in 1969, until he came to his present position in January 1974.

Brey is 45, married and has two children.

THE PROBLEM WITH SUB-CONTRACTORS

We're done, Charley. Let's blow!

Hold it. You cut that register hole too big. We gotta patch it.

Charley, you're new at subcontract, so listen. We get 50 bucks for this job, no matter how long it takes. So we do it **fast** and get to the **next** 50 buck job. Let's go!

But look at that **wire** hanging down, and the **wave** in that pipe . . .

We don't get **nothing** for neatness. And we don't sell **quality** like them Comfort guys. They got steady jobs, and are on hourly, so they got time to do a job right. The better their work, the more business Comfort gets, and the more **they** gain.

Hey, I heard they get paid Hospitalization, and two weeks vacation. Sounds like Comfort **quality** pays.

Yeah, but then you got them quality control guys checking on your work. That's what I like about sub-contracting for cut-rate stores — you're on your own . . .

With work like this, you gotta be!

Free enterprise to be topic at Optimist Club

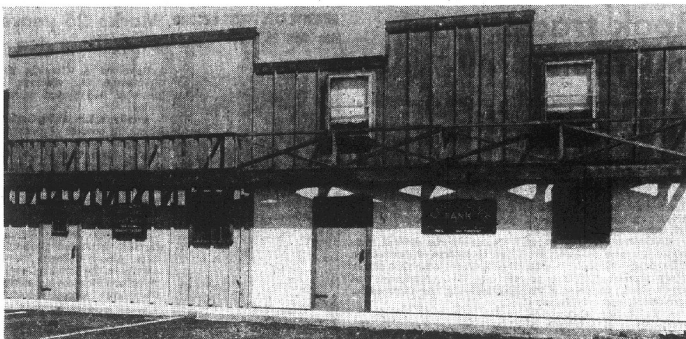

Freedom and free enterprise will be the topic of Noah D. Alper at the Thursday noon meeting of the Granite City Optimist Club.

Alper is the president of the Public Revenue Education Council of St. Louis and his topic is titled, "To Save Freedom, Save Free Enterprise."

The purpose of the council is to preserve and advance free enterprise.

Alper was the founder of the first Toastmasters Club in St. Louis and a member of the Metropolitan Toastmasters Club of St. Louis.

Ivan Harrison is the program chairman for Thursday.

OLD WESTERN TOWN is depicted in construction of a new addition at Corral Liquors, 3304 Nameoki Road. This addition, which includes an exterior showing the town bank and the jail, with "hotel rooms" above, houses 1,300 square feet of additional floor space for beer storage, and makes Corral Liquors the largest cut-rate package liquor store

in Southern Illinois, according to B. C. Gitcho, owner and operator of Corral Liquors. The addition now makes three Western-type buildings in the business complex that includes Ponderosa Steak House, Corral Liquors and the O.K. Corral, a new lounge which Gitcho expects to open within the next two to three weeks.

Open house at Venice planned

The Joint Title I and Title VII District Advisory Council will meet Tuesday at 10 a.m. in the conference room of the Venice grade school, according to Mrs. Verla Arnold, chairman.

From 9 a.m. to 3 p.m. parents and other interested citizens are invited to the Title I and Title VII open house.

During these hours, classes will be in session and special demonstrations and projects will be viewed.

Members of the advisory committee are: Herman Smith, Linda Freeman, Verla Arnold, Sister Bernadette, Eddie Barbee, Donna Hoover, Ila Fleig, Rosalyn Johnson, Kim Bathen, Venus Grader, Irene Taylor, Charlotte Dilday, Joyce Woods, Bettie Green, Teri Koelker, Sallie Blakey, Linda Crawford, Bessie Mae Cooper, Charlette Dorsey, W. M. Townsend, Joyce Odum, and Rose Rodriguez.

Army Installation here aids 17 U.S. agencies

The current mission of the St. Louis Area Support Center (SLASC), more commonly known as the Granite City Army Installation, support service to all Department of Defense personnel in the greater metropolitan area, according to Lieutenant Colonel Robert L. Cranston, commanding officer.

Col. Cranston was the guest speaker at the Granite City Optimist Club meeting Thursday noon at the YMCA. H. D. Karandjeff was program chairman.

The operation of SLASC is divided into seven divisions: plans and management, housing, community services, area support division, security and facility engineering division, Col. Cranston said, noting that "We have 156 houses to take care of and manage."

"I feel there has been a great relationship between the community and the installation here in Granite City," Col. Cranston said.

"The installation has a great history since it was opened as a depot. In 1971 when it was deactivated as a depot, it became basically a support center."

"We still look like a depot and have two million square feet of storage space and 120 buildings, on 942 acres, but our purpose is service and our motto is 'Service With a Smile'."

In Granite City, SLASC employs 350 civilians and 50 military personnel.

"We have commissary, medical, dental and recreational facilities for personnel in the metropolitan area."

"Our second role for 17 Army and non-Army Department of Defense agencies is centralized procurement and storage."

"We welcome visitors. If anyone is out with his family

and want to see an Army installation they are welcome to visit. Just tell the guards that you want to look around and they will be glad to give you a pass. There are a few areas that are restricted; but there is still quite a bit to see."

"I am not trying to replace the recruiting sergeants in the area, but sometimes young men want to learn more about careers in the military and they want to talk to someone else other than a recruiter."

"I have some fine officers and sergeants that will be glad to visit with any young man or woman that wants information and we will be glad to talk to them."

Optimist Carl Mathias of the Illinois Power Co. asked if there was any possibility for business or local governments to lease some of the land or buildings from the government for possible industrial expansion.

"In the future, part of the land may be declared surplus and not needed. I personally would be glad to sit down with local business, industrial or chamber people and talk about it. We can see what the Department of Defense will do," the commander said.

Lt. Col. Cranston assumed command of the St. Louis Area Support Center on Oct. 10, 1975. He came to SLASC from the U.S. Army Aviation Systems Command, St. Louis, where he served as acting chief of the Aircraft Support Branch and Procurement office.

Title I staff members are: Robert Blatner, Coordinator, Betty Cunningham, and Ruth Welch.

Title VII staff members are: Kathy Fields, Mary Donna Satture, Al DeLay, Robert McKinney, Mary Shaw, Dorothy Smith, Barbara Bailey, Rogers Melford, Georgia Falwell, Janis Carney and Althea Cross, Director.

'Moon for the Misbegotten' to be telecast

A lavishly praised Broadway production of Eugene O'Neill's final play, "A Moon for the Misbegotten," will be aired at 8 p.m. Wednesday, April 28 on KSTC-TV, Channel 9.

The principal roles of Josie and Jamie, two lonely and desperate people who encounter one another one moonlit night, are portrayed by Colleen Dewhurst and Jason Robards. Robards is considered to be the most accomplished actor of O'Neill's autobiographical character, James Tyrone.

O'Neill, widely regarded as America's premiere playwright, wrote "A Moon for the Misbegotten" in 1943 as the third play in an autobiographical trilogy. The first two, "The Iceman Cometh" and "Long Day's Journey Into Night," have become classics.

It was not until this particular production that the final play achieved memorable status among critics and the public. Four 1974 Tony Awards confirmed its success: best actress, best director, best supporting actor and a special award for "distinguished achievement" for an outstanding dramatic revival of an American classic.

Doubled inheritance tax exemption sought

Attorney General William J. Scott told a Springfield news conference last week he will push for new legislation in four areas: environmental controls, consumer protection, tax relief and financial crime.

In the area of tax relief, Scott called for a doubling of the inheritance tax exemption, from \$20,000 to \$40,000, to correct a present situation where "widows and orphans are paying the price of years of inflation."

Scott also called for passage of legislation to exempt small family farm estates from inheritance taxes up to a value of \$250,000.

Scott described small family farms, passing from father to son, as "the backbone of our social character and rural tradition in Illinois."

He said he will make a major effort to obtain passage of laws to provide for safeguards in storage and transport of hazardous chemicals in the state. The controls would provide authorities with information on antidotes and methods to deal with accidents involving toxic and explosive chemicals.

In consumer protection, Scott said he hopes to see legislation passed requiring the entry of mileage figures on automobile titles each time a title is transferred.

The attorney general said "stomper rollbacks" continue to be a constant problem for car purchasers. He added that it is often difficult to pin down the facts for court action under present statutes.

Scott said odometers are usually rolled back to remove at least half the mileage, making that practice one of the most basic deceptions in a car transaction, affecting both the value of a car and its safety.

Scott also said he favors consumer legislation to regulate and disclose sales distributorships, to regulate buyers' clubs, to control charter flights by travel agencies and to strengthen general warranty protections.

He repeated his call for legislation to provide the attorney general with power to call a statewide grand jury to initiate prosecutions in the areas of white-collar crime and political corruption.

Protestant Welfare installs

The Protestant Welfare Association, Inc., hosted its annual dinner meeting last week at St. Peter Evangelical United Church of Christ, and conducted installation ceremonies for the 1976 officers.

The Rev. Robert Kettelhut, pastor of the host church, gave the invocation and Kenneth Whittington, president, delivered the welcoming address.

Master-of-Ceremonies Hugh Foster introduced the officers and special guests, who included several persons instrumental in organizing the association.

Other officers who will serve this year are Hugh Foster, first vice-president; Raymond Vaughn, second vice-president; Orville W. Ganz, treasurer; Mrs. Irma Taylor, executive secretary; Mrs. Marie Whittle, office secretary, and Mrs. Gladys Woker, assistant secretary.

Special music for the evening was presented by the Senior

Handbell Choir of St. Peter's Church under the direction of Robert Hutchison.

The Rev. Carl Bennett of the First United Presbyterian Church, Edwardsville, was guest speaker.

During the business meeting it was announced the organization first was known as Emergency Agency and received its charter from the state on Dec. 31, 1953, and during its 22 years services has served 6,290 active cases and hundreds of incidental cases in the Quad-City area.

A report on 1975 activities listed 497 cases which included 208 new, 121 recurrent and 168 incidental cases, involving 1,381 persons.

Mrs. Whittle said they had issued 364 relief orders, including 11 Christmas grocery orders plus canned goods received from churches and organizations, and 15 dolls donated by Granite City Trust and Savings Bank. There also were 170 orders of clothing and

DIVIDEND BY AMSTED

shoes taken from the store room, she added.

The office secretary noted the major portion of operational funds are received from The United Way. As a public service, the association also has wheel chairs, hospital beds, walkers and crutches, which they lend to the public.

In September 1975, the volunteer group began its sixth year of participating in the Mobile Meals program, serving prepared meals for elderly, ill and indigent people, according to the diet prescribed by their doctor. These hot meals are served in individual homes five days a week.

There are now 30 churches and four organizations who belong to the Protestant Welfare Association. Ministers of the churches serve as directors for the day assigned to them, as well as hosting a monthly meeting of the group throughout the year.

1,000 BPW members at convention

More than 1,000 delegates, representing over 10,000 members of the Illinois Federation of Business and Professional Women's Clubs (IFBPW), gathered Thursday at the Palmer House in Chicago for the 1976 state convention.

"Reach for the Stars and Stripes" was the theme of the four-day conference at which Mrs. Catherine Burton of Collinsville, Illinois Federation president, presided.

Twenty members of the Granite City BPW Club, headed by Mrs. Rosemary Baseden, president, were among the delegates.

Miss Annelen Smith of the local club and Mrs. Dana Heinritz of Collinsville BPW served as convention co-chairmen.

Awards were made to out-

standing clubs, and Mrs. Betty Roberson of Granite City BPW Club was a candidate in the state "Speak-Out" contest at Saturday morning's breakfast session.

Two students charged after disturbance

Two Granite City High School South students were charged with disorderly conduct Thursday after an alleged fight in the school's smoking area involving the students and a school monitor.

Monitor Rick Singleton said he stopped one young man to take him the principal's office and the youth turned on him and began choking him.

Singleton said he had to defend himself and during the scuffle, another youth grabbed the monitor's arm and tried to pull him away.

The first youth fled toward Grand Avenue and the second youth returned to school. He was brought from home room to police, who charged Charles A. Curtis, 17, of 31 Edwards Drive, with disorderly conduct.

Officers said that after the arrest, stones the size of golf balls were thrown at a police officer and some struck a police squad car, chipping the paint.

Christopher Fritchard, 18, of 2404 Cardinal Ave., was arrested at home and charged with disorderly conduct and destruction of city property.

AUTO IS STOLEN
The 1976 maroon Chevrolet Monte Carlo of John Hawks, Glen Carbon, was stolen from the parking lot of Tri-Mor Bowl, 3701 Nameoki Road, Hawks reported at 9:40 p.m. Thursday.

The car has a maroon vinyl top.

Policeman hurt, 2 arrested

Two men were arrested and a policeman was injured during what was described as "a melee" at 18th and State streets at 9:10 p.m. Thursday.

Granite City Police Sgt. Robert Astorian, 38, suffered a cut to his head which required four sutures to close. He was struck with some object while attempting to remove Frank Etherton, 49, of 2308 Benton St., from his pickup truck at that location.

Etherton was charged with aggravated assault and unlawful use of a weapon. Another man allegedly involved

in the disturbances, Guy Wallace, 36, of 3817 John Glenn Drive, Pontoon Beach, was charged with obstructing a police officer and disorderly conduct.

Police first were called to Micky and Millie's Tavern, 18th and State streets, on a report of a fight. They said they found Wallace seated at the bar and Etherton outside of the tavern. Etherton showed signs of having been badly beaten, officers noted, and they ordered him either to go to the hospital or to go home.

A policeman shot out a rear tire of the truck, which then stopped. As Astorian was attempting to remove Etherton from the truck, he was struck with an object, believed to be a flashlight. The other officers then arrested the two men and took Astorian to the hospital. He was released after sutures were administered and x-rays were taken.

Registration is being taken on a first-come, first-served basis. More information may be obtained at the Y at 876-7200, or by stopping at 2001 Union Ave. The "Y" is a United Way Agency.

NORTH PLAY CAST. Granite City High School North speech department students will present their spring play "You Can't Take It With You" Friday at 8 p.m. in the South auditorium. Members of the cast, from left, Paula Milton, Linda Hansen, Gay Bowler,

Linda Parish, Toni Simurda, and Dawn Duffin. Standing from left, Rod Hartzell, Terry Bax, Tim Lipe, Ray Burton, Larry Lobby, Mike McInerney, Mike Taylor, Sheila Hintz, and John Kastelic.

Howlett cites state's long tradition of press freedom

Freedom of the press, often taken for granted in 1976, was effective though fairly new in Illinois' formative years, Michael J. Howlett, secretary of state, said Saturday.

Howlett spoke at dedication of a granite marker where the Emigrant, second newspaper in Illinois, began publication in June 1818 on the main street of what is now Old Shawneetown.

Howlett, by virtue of his office, is also state librarian. The marker was provided by the Southern Illinois Professional

Chapter of Sigma Delta Chi, a society of journalists. "When Chicago was an obscure frontier outpost, Shawneetown was a major gateway for immigrants settling in the West," said Howlett. "Pioneers came down the Ohio River by ferry or flatboat."

"In 1818, Shawneetown, a bustling port of entry, became the first incorporated municipality in territorial Illinois."

"Before the Emigrant, only one Illinois paper existed—the Herald, started at Kaskaskia in

1814. It later changed its name to the Illinois Intelligencer. "The Emigrant was usually only four pages. Besides public printing—laws, treaties and government reports—it carried news and editorial comment. About a fourth of each issue was ads."

"During a political campaign, much space was given to lengthy communications. Sometimes they turned into debates which went on and on until issues were obscured by personalities."

"There were only two weekly papers in Illinois when we became a state in 1818. But they were a free press," Howlett noted.

"They told the people what was going on. They, and the publications that followed them, watched government activity closely and reported it in great detail."

"In 1818, freedom of the press

was fairly new. In Britain, for nearly 200 years, publishing was a prerogative of the Crown. It was 1771 when London newspapers won the right to report Parliamentary doings."

"The colonists in the New World followed right along. The founding fathers were unanimous for protection of individual liberties from government encroachment, especially in press freedom."

"Thanks to freedom of the press, we are the best-informed people on earth. The full information we receive is the backbone of our democracy. "A free press can exist only in a free society. Many parts of the world still don't have it."

"As the Bicentennial observance of our national independence begins in Gallatin County, there could be no more fitting kickoff than dedication of this stone in honor of the Emigrant."

Janet Groff admitted to medical school

Miss Janet Y. Groff, 2008 rear Madison Ave., has been accepted for admission to the 1976 entering class in the School of Medicine at the University of Texas Medical Branch, Galveston, Tex., according to word received last week.

Miss Groff is a graduate of the 1972 class of Granite City High School and will graduate in June this year at the Southern Illinois University at Edwardsville.

She will enter the School of Medicine in Texas on Sept. 1. Miss Groff is the daughter of the Rev. and Mrs. M. A. Groff, former Granite City residents until moving to Horton, Tex. two years ago. The Rev. Groff was pastor of the First Assembly of God Church while in Horton.

Miss Groff recently has served as a tutor in the Coordinated Youth Services Manpower program.

Statistical guide prepared

Secretary of State Michael J. Howlett announced Thursday the publication of a new resource manual—A Guide to Statistics in Illinois State Documents—which he described as "the most valuable reference tool for people interested in state statistical data ever published in Illinois."

The 208-page manual lists the State Library's holdings of reports and data from all three branches of Illinois government, official state publications, department and agency reports, monthly and annual reports required of various agencies, and a wealth of other vital statistical material.

The information is listed in the manual in sections, by government branch, department and agency; and shows frequency of report and date of last issue. It also contains a special alphabetical index listing material by title and/or subject.

Howlett, who is the Illinois State Librarian, said full credit for the publication should go to Mary Redmond, legislative research librarian for the State Library who conceived the idea and did most of the work on the manual—much of it on her own time.

Miss Redmond, who holds a Master's Degree in Library Science from Rosary College in River Forest, began work on the project in the fall of 1973, and completed it early this spring.

She said it contains a listing of all state statistical holdings in the library as of mid-1975. The publication will be updated periodically. Using the new publication as a reference, a person should be able to locate even the most

obscure of data almost instantly. In addition to statistics on population, gross state product, births and deaths, employment and unemployment—which are routinely sought—the manual can guide the researcher to such information as ice cream production, motorcycle registration, annual yields of oats and wheat, circuit court caseloads—even the price of peach trees and the value of the Illinois squash crop.

Miss Redmond said she conceived the idea for the new manual after observing that thousands of official reports and statistical documents are filed in the library each year, but only a relative handful of researchers knew how to locate them—or that they even existed.

Often times, she said, people will spend days, even weeks, on the telephone and writing letters in search of information which, all the while, has been on

file and easily available in the State Library. The new publication, she said, is patterned after a federal manual which lists locations of various national data. Individuals desiring single copies may obtain them by writing Mary Redmond, Legislative Research Department, Illinois State Library, Springfield, Ill. 62756.

JEWELRY JOTTINGS
By RUSS WALKER

The value of a diamond is influenced by its color. The degree of whiteness is important. A hint of blue is desirable but a hint of yellow... common to most diamonds... is called off-white and detracts from the stone's value.

If you don't know jewels, know your jeweler. You can depend on us.

GOLDEN EGG. Jason McIntosh, 5, found one of three "golden eggs" worth \$5 in Lee Park when more than 300 Venice children participated in an Easter egg hunt sponsored by the Venice Park District and city officials. Alfred "Dale" Crawford, holding Jason, was one of the event chaperones. He was assisted by Venice Aldermen Tyrone Echols and John Ervin. Two hundred dozen eggs were placed in the park.
